

Career-Technical Education Day at the Roundhouse!!

January 31, 2017

Visit the State Capitol of New Mexico and share in our great democracy. Contact your legislator for a face-to-face meeting and prepare students to join them on the floor or in committee meetings! We were ABLE to obtain space for displays this year, so bring a display to show in the east hall! Remember that you are responsible for bringing your own table, chairs, extension cords, etc., as they are unable to provide them. Share your experiences and influences regarding your Career-Technical Education Program!!!

Don't miss the Monday Evening Event for your students! Make the trip educational as well!

The New Mexico Association of Career Technical Education and NM Career Technical Leadership Program will be co-sponsoring an event just for your students! As always, we are excited to be able to provide knowledgeable speakers who will present ways in which the CTE students of New Mexico can best be utilized in policy making decisions. You won't want to miss this opening leadership development opportunity for your students!

Come Monday, January 30th from 6:00 p.m. - 7:30 p.m. at the DoubleTree by Hilton

to prepare your students for the next day!

CTE students, to a much greater extent than their non-CTE counterparts, report that they developed problem-solving, project completion, research, math, college preparedness, work-related, communication, time management and critical thinking skills during high school.

Reserve your rooms today for Monday evening, January 30th, at The DoubleTree by Hilton Santa Fe. The discounted rate of \$89.00 + 15.1875% tax can be obtained by mentioning NMACTE Legislative Event when you register! (Please register by 01/15, to receive the discounted rate). Call for reservations today...
