

# Written Events

- 1. All written events require (2) copies of the written documentation (in official DECA Folios).**
  
- 2. There are two documents that are very important:**
  - A.** Written Event Statement of Assurances and Academic Integrity. Make sure all required signatures are complete. This is first page of the project.
  
  - B.** Written Entry Checklist! The purpose of the Written Entry Checklist is to make sure there are no penalty points to be deducted from the project. If mistakes are found – correct them before turning in the projects!
  
  - C.** The Professional Selling and Consulting Events listed on the last page – require written documentation for New Mexico competition. (The National Guidelines do not require written documentation). The New Mexico guidelines can be found on the web site!
