CONGRATULATIONS! The decision to run and serve as a New Mexico HOSA State Executive Council is one that sets a person apart as one of the most dedicated and driven leaders in our organization. State Executive Councils serve as the leaders of New Mexico HOSA and represent the organization to industry professionals, community leaders, education officials, community partners and most importantly the state membership.

Running for office and serving as a State Executive Council will be a positive, life-shaping opportunity. The *New Mexico HOSA State Executive Council Handbook* details the important issues of State Executive Councils and provides the specific election process, procedures, and applications.

IS RUNNING FOR STATE EXECUTIVE COUNCIL OFFICER RIGHT FOR ME?

The opportunities provided to State Executive Councils are tremendous and many of the state Executive Council alumni count their time as an Executive Council as a pivotal experience in their life. Along with the opportunities and benefits of being on the Executive Council come many important responsibilities. Those interested should carefully consider the decision to run for state office and what it requires.

The average State Executive Council will spend five to ten hours a week working on their State Executive Council assignments and responsibilities. Prior to State Executive Council meetings, conferences and HOSA events the amount of time required tends to spike as Executive Councils finalize preparations and polish up assignments. It is important to realize that, although academics remain the number one priority, Executive Councils will not be able to fall behind in their responsibilities as a HOSA Executive Council. Executive Councils will be required to participate in the team decision-making process, perform their assigned tasks, and attend all required conferences and events.

It is important to understand that if elected, Executive Councils will be required to attend conferences, Executive Council meetings and HOSA events throughout the year. Executive Councils will not be allowed to leave early, come late, or miss any parts of these events (except in the case of an extreme emergency) without permission. Executive Councils have frequently had to miss out on big games, dances, trips, etc. because they conflicted with their state Executive Council responsibilities. The expectation is that state Executive Council responsibilities and commitments will take priority after an Executive Council's academics.

Anyone willing to make this kind of commitment and that has the drive to succeed and the encouragement and dedication to get the job done should seriously consider running for state office! If unsure, it is recommended members consult with their local advisor and get their opinion and advice. Those who decide to run for office can be assured that holding state office will be one of the most memorable experiences of their life and one of the most effective career preparation experiences they could ever have while in high school.
