However, going live with social networking pages, dedicated to your candidacy is not permitted until you are declared an official candidate at SCDC.
 - If you use these media, you must do so with the understanding/risk that these can be accessed by people outside of your chartered association, giving them an advantage in knowing their competition.

Campaigning

- Chartered Association Officer Candidates are encouraged to focus their campaign efforts on their personal brand and qualifications for leadership.

No campaign materials are allowed anywhere in conference hotels (even on the door or window of the candidate's own room). **No stickers** will be allowed unless previously attached to your campaign promotional items.

Balloting will then take place by written ballot--and the ballots will be counted by the Board of Directors or designee, excluding those board members who have an officer candidate. Delegates may vote for four candidates. The candidates receiving the most votes on the first ballot will be elected. A second ballot will be held only in the case of a tie.

Local Advisor Guidelines

We appreciate your support in running a candidate for office! You play a key role in developing our officer candidates. In fact, your student is most likely enthusiastic about leading our organization because of the encouragement they received from you! However, having an officer also requires the commitment and dedication of the local advisor. Please review the following and sign the form below to indicate you are aware of your advisor responsibilities in sponsoring an officer candidate:

1. I agree to run only candidates that I feel have the character and maturity to lead DECA as an officer. I also pledge to encourage our DECA chapter to fully support our officer during his/her term in office. I have discussed the CHARTERED ASSOCIATION OFFICER RESPONSIBILITIES with my candidate and feel confident that they are capable of successfully performing all the required tasks.
2. I agree that if my student is to win an office, we will review the officer schedule frequently and I will strongly recommend that he/she make DECA activities a top priority. We have reviewed the OFFICER CALENDAR and he/she understands that failure to attend required meetings may result in removal from office.
3. I will communicate in a timely manner with the State Advisor, Chartered Association Officer Coordinator, and Board of Directors to help my student fulfill his/her officers' duties.
4. I will assist my student in returning articles and other officer materials to the Chartered Association Officer Coordinator in a timely manner.
5. I will discuss travel arrangements with my officer (see the "Officer Calendar") and travel with him/her when necessary. I understand the school is responsible for providing transportation to activities. I have also discussed with this candidate's parent/guardian the travel requirements of the job and we feel that this candidate is capable of traveling unassisted on airlines or we agree to accompany them at our expense when traveling to required events.

We appreciate the valuable role DECA advisors have in forming our Chartered Association Officer team. The future success of DECA depends upon your ability to recognize leadership skills in your students! Thank you for your support!
