

New Mexico FCCLA

EXECUTIVE COMMITTEES

2021 - 2022

This year, New Mexico FCCLA is introducing an exciting new way for members to get involved:

Executive Committees!

The purpose of these committees is to aid the State Executive Council in the fulfillment of this year's Program of Work. Members across the state will have the opportunity to submit applications to serve on one of the committees.

If you have a student who you think would be an asset to an Executive Committee, follow the steps below:

1

read through the Executive Committee Guide made available to all Advisors

2

encourage interested students apply through the Google form application

3

aid and advise students during the selection process and, if selected, their term

- If you have any questions about the application process or about serving on an Executive Committee please contact
- Sydney Goldston - sydneygoldstonfccla@gmail.com
