

HEALTH + SAFETY GUIDELINES

The Career Technical Leadership Project (CTLP) considers the health and safety of all who attend the Fall Leadership Rally including our attendees, staff, partners and on-site vendors/service providers as our top priority.

CTLP will implement protective measures and protocols aimed at reducing the likelihood of spread of the novel coronavirus (“COVID-19”) between participants and others attending its events. These measures and protocols are designed to be consistent with current guidance from the U.S. Centers for Disease Control and Prevention (“CDC”), as well as state and local authorities. However, CTLP cannot guarantee that event participants will not be exposed to COVID-19 while participating in or attending its events.

Participants will be required to sign a COVID-19 Acknowledgment and Liability Waiver and provide it upon arrival at the conference. If participants cannot agree or commit to the COVID-19 Acknowledgment and Liability Waiver, they cannot attend.

CTLP will continue to monitor the COVID-19 status as remain in constant contact with our hotels and event venues. This plan is a living document that will continue to evolve as the venue and local protocols change:

- Participants must follow all state and local guidelines, as well as those set forth by the venue hosting the conference/event name.
- All attendees will be required to observe the social distancing rules established by the venue and local authorities at the time of the event.
- All room sets will be based on the social distancing requirements at the time of the event.
- A complete list of COVID-19 precautions specific to venue name can be reviewed at venue email address with COVID information

Please visit the CDC for recommendations on how to protect yourself against COVID-19: www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention.html
