Local Advisor Guidelines

We appreciate your support in running a candidate for office! You play a key role in developing our officer candidates. In fact, your student is most likely enthusiastic about leading our organization because of the encouragement they received from you! However, having an officer also requires the commitment and dedication of the local advisor. Please review the following and sign the form below to indicate you are aware of your advisor responsibilities in sponsoring an officer candidate:

1. I agree to run only candidates that I feel have the character and maturity to lead Business Professionals of America as an officer. I also pledge to encourage our BPA chapter to fully support our officer during his/her term in office. I have discussed the STATE OFFICER RESPONSIBILITIES with my candidate and feel confident that they are capable of successfully performing all the required tasks.
2. I agree that if my student is to win an office, we will review the officer schedule frequently and I will strongly recommend that he/she make Business Professionals Officer activities a top priority. We have reviewed the OFFICER CALENDAR and he/she understands that failure to attend required meetings may result in removal from office.
3. I will communicate in a timely manner with the State Advisor, State Executive Council Coordinator, and Board of Directors to help my student fulfill his/her officers' duties.
4. I will assist my student in returning articles and other officer materials to the State Executive Council Coordinator in a timely manner.
5. I will discuss travel arrangements with my officer (see the "Officer Calendar") and travel with him/her when necessary. I understand that the school is responsible for providing transportation to activities. I have also discussed with this candidate's parent/guardian the travel requirements of the job and we feel that this candidate is capable of traveling unassisted on airlines or we agree to accompany them at our expense when traveling to required events.

Being involved in an amazing organization has brought me many opportunities personally and professionally. It has also brought a variety of leadership opportunities. I want to step into the fire of success with BPA and spread the flame of BPA as a State Officer. I want to motivate others to heat up their life with involvement in an organization that has meant so much to me and that I know will help create a bright future for everyone!”

“Becoming a state officer for Business Professionals of America would be a challenge, privilege, and an opportunity to connect with all Ohio members. I believe acquiring this position would further enhance my skills in leadership, responsibility, and teamwork, which will guide me to excel in my future. Through encouragement, I hope to motivate members to participate in all aspects of BPA including competitions, Torch Awards, and the BPA Cares Program. Inspiring members to excel in their future goals is something I wish to achieve. With proper effectiveness in this position, I hope to set an example for future members.”

“Being in Business Professionals of America opens new doors to our state’s young generations. While being in the program, I would like our young generations to explore the business world as much as possible. I want to be a state officer because I want to make a difference in Business Professionals of America’s future. I possess qualities such as dependability, leadership, and creativeness that can help our organization thrive. Whether it be competitions, community service, or any other task BPA proposes, I would love to take on the task and grow our BPA community by being in the state office.”

“Through Business Professionals of America, I have continued to set new goals to enhance my success within the organization by setting my goals higher than I would have ever imagined. My business program and BPA have taught me so much I want to become more involved with members at the state level. I believe I would enhance the officer team with my well-rounded skills and achievements in academics and the organization. I am prepared to dedicate my time to creating a higher awareness of the organization to grow membership while promoting our state’s achievements in competitions and community service.”

“I would like to become a BPA State Officer so that I could have the opportunity to help spread the inspiration and experience I have gained through Business Professionals of America to my peers and other members. I have been very involved in my local chapter including holding leadership roles, participating at the state and national levels, and attending the previous two Fall Leadership Conferences. I could take the experience I have gained through these opportunities and use them to help keep moving BPA forward.”

“Business Professionals of America has given me the opportunity to dream bigger about my future. My biggest goal is to help BPA do the same for each and every one of you. I believe the best way to achieve this goal is to run for state officer. I have been blessed to hold a leadership position in BPA since my freshman year, being a class representative. My other leadership opportunities include being a leader on and off the field for my school’s Varsity Soccer team and Varsity Baseball team, and as a member of National Honors Society. Let’s Dream bigger together.”
