

Dear New Mexico HOSA Staff Member or Volunteer,

Welcome to New Mexico HOSA!

At New Mexico HOSA our first priority in anything we do is the health and wellbeing of our members, volunteers and staff. With this in mind we have developed the following manual as an educational tool to facilitate a healthy environment by protecting members, staff, advisors and volunteers and allow the mission of New Mexico HOSA to carry on.

This handbook provides an outline of best practices for New Mexico HOSA staff, advisors and volunteers designed to mitigate the opportunity for sexual or physical abuse and strengthen your understanding of prevention and reporting requirements. They have been adopted by New Mexico HOSA governance and will be strictly enforced.

We ask that you carefully read this policy manual. Upon completion, please sign and return the acknowledgement located on the last page and keep a copy for your reference. If you have any questions or concerns, please do not hesitate to reach out.

Sincerely,

SAFETY ASSURANCE PROCESS

Screening is the careful gathering and review of specific information and is one of the best ways to prevent sexual or physical abuse. As part of our dedication to ensuring a safe environment, all potential staff, advisors and volunteers are required to complete the following before assuming responsibilities on behalf of New Mexico HOSA. This applies to any adult working with minors on a regular basis or staff members responsible for hiring, firing or otherwise part of the reporting process or policy enforcement.

Documentation & Interview

Staff members and volunteers working with members on a regular basis or who are in a decision-making role are required to complete the following steps:

- Complete an Employment Application (employees only)
- Complete the Personal Information Form, including a signed release (employees and volunteers)
- Complete a face-to-face, virtual or telephone interview (employees and volunteers)
- Provide references to be checked (employees and volunteers)
- Provide proof of completion by current school, school district or other entity

Criminal Background Check

A criminal background check will be conducted on every person seeking to work on behalf of New Mexico HOSA. Depending upon position, differing levels or intensity of criminal background check may be required.

Sexual Abuse Awareness Training

New Mexico HOSA policies and procedures require that all staff members and volunteers participate in Abuse Prevention & Reporting Training. This may be directly through the New Mexico HOSA or through another entity, if provided with proof of completion within three years. This training must provide a basic understanding of the characteristics of sexual abusers, signs a child has been or is being abused and what it means to be a mandatory reporter. This training must also include information on “grooming” behaviors. *Child grooming is the process abusers use to befriend and establish a social and emotional connection with a child, or the child’s family, to lower the child’s inhibitions and build trust with the objective of sexual abuse. This may take place online or in person and can be a stranger or someone the child already knows. Grooming happens in six stages: targeting, gaining trust, filling a need, isolation, sexual contact and maintaining the relationship.*

Review Policies & Procedures

All staff, advisors and volunteers are required to read the policies and procedures contained in this manual and sign the Statement of Acknowledgement & Agreement found on the last page. This signature indicates that he or she has read and understands the material and agrees to comply with all policy requirements.

ZERO TOLERANCE POLICY

It is the obligation and responsibility of every New Mexico HOSA staff member, advisor and volunteer to act in the best interest of members and New Mexico HOSA. In order to ensure this, New Mexico HOSA has a ZERO TOLERANCE policy regarding any suspected, alleged or proven acts of sexual misconduct or other harm to the safety and well-being of all members and other New Mexico HOSA stakeholders.

Any staff, advisor or volunteer are required to report any suspected “grooming” behaviors, policy violations or other suspicious behaviors to an immediate supervisor, New Mexico HOSA Administration, a member of the New Mexico HOSA Safety Committee/Crisis Management Team or local authorities. Suspected abuse (physical, sexual or emotional) of a minor outside of the New Mexico HOSA must also be reported immediately.

ENFORCEMENT OF POLICIES

New Mexico HOSA staff members and volunteers who supervise other employees or volunteers are charged with the diligent enforcement of all New Mexico HOSA policies. Violations of these policies are grounds for immediate dismissal or other disciplinary action, for all staff, advisors and volunteers.

CONSEQUENCES OF PROHIBITED OR HARMFUL ACT

Any person accused of committing a prohibited act, or any act considered to be harmful to a child, will be immediately placed on leave and prohibited from participating with New Mexico HOSA. This suspension will continue through any investigation by law enforcement or other agencies.

Any person found to have committed an illicit act or convicted of any crime will be prohibited from any future participation in all New Mexico HOSA activities, events, administration or subsidiaries. Such conduct of any paid staff member, employee or independent contractor will result in the immediate termination of employment from New Mexico HOSA.

Failure to report a prohibited act to one of the individuals identified above is also in violation of this policy and will be considered grounds for termination of a staff member or dismissal of a volunteer.

REPORTING PROCEDURES

In order to best protect members and maintain the safest environment for New Mexico HOSA, always report all suspicions or allegations of abuse, regardless of state law.

REPORTING SUSPICIOUS OR INAPPROPRIATE BEHAVIORS TO New Mexico HOSA

When the necessity of reporting occurs, the protection of members must take priority. All incidents should be reported immediately to New Mexico HOSA management and an incident report will be filed and retained for reference. All questions or concerns related to inappropriate, suspicious, or suspected grooming behavior should also be directed to New Mexico HOSA staff or a member of the New Mexico HOSA Safety Committee/Crisis Management Team.

Any report of suspicious behaviors or allegations of abuse will be taken seriously by management and will be reported in adherence with state law to the New Mexico HOSA Safety Committee/Crisis Management Team, the Police Department, Child Protective Services, or other appropriate agency.

REPORTING SUSPICIONS OF ABUSE TO New Mexico HOSA ADMINISTRATION

Staff members, advisors and volunteers are required to verbally report an incident to a supervisory staff member as soon as possible after the alleged incident. After receiving a report from a staff member or volunteer, the supervisor/administrator will notify a New Mexico HOSA Administrator as soon as reasonably possible.

If appropriate, New Mexico HOSA Administrator or a member of the New Mexico HOSA Safety Committee/Crisis Management Team will inform the local or New Mexico authorities in one of the following manners:

Option 1.

A staff member or volunteer *may* report to a New Mexico HOSA Administrator or supervisor and allow supervisory personnel to make the appropriate report to law enforcement agencies.

Option 2.

A staff member, advisor or volunteer must report to the appropriate local or New Mexico authorities. After filing a report, the staff member or volunteer must notify New Mexico HOSA Administrator or supervisor.

Option 3.

A staff member or volunteer will immediately notify New Mexico HOSA Administrator or supervisor. Together with the New Mexico HOSA Administrator or supervisor, the staff member or volunteer will make a report to the appropriate local or New Mexico authorities.

In no way does any provision in this policy discourage any staff member or volunteer from reporting a suspicion of abuse or neglect to the appropriate local or New Mexico authorities.
