# 2025 NEW MEXICO ACTE CONFERENCE

Taking a Deep Dive into MBA Research's Resources

NMACTE Pre-Conference

Wednesday, January 15, 2024 (1:00 - 3:30 pm)

Join us for in-depth training in MBA Research's premiere classroom resource --The Learning Center. During this session, we will walk through setting up a course and retrieving materials from the Commons database. We will review the Learning Activity Package (LAPs) components and best practices for classroom use and CTSO preparation. In addition, we will also look at State's Connection -- one of MBA Research's best-kept secrets -- and explore a treasure trove of resources to use. During this interactive session, teachers can ask questions, work together, and gather classroom resources for immediate use. Note: To make this a more in-depth experience, make sure you have a Learning Center Account prior to the session.

**Cost:** This pre-conference is offered at no-cost and covers the training, materials, and networking opportunity! It will be provided by the MBA Research & Curriculum Center.

**Registration:** Registration can be accomplished by completing the online registration process at: <https://www.thinkregistration.com/acte/nm>

CONFERENCE LOCATION:

**BERNIA FACIO CENTER**
