The conference is an opportunity for you to join your fellow CTSO members from around the State of New Mexico to improve your leadership skills, participate in hands-on learning activities, sharpen your competitive knowledge, networking and have fun!

Registration Information

Each local advisor is responsible for completing the online registration and submitting it, along with the required fees, to the address indicated on the invoice. Late registration will be accepted based on availability and will incur an additional \$10.00 fee. **NOTE:** You will not receive a conference shirt if you register after this date. Absolutely NO on-site registrations.

To maximize the number of schools that can participate in the conference, each school organization will be limited in the number of participants it may bring.

- All individuals attending the conference must be registered. This includes: Student participants, Advisors, Chaperones and Bus drivers

Each CTSO chapter within a school may register up to six (6) students. For example:

- BPA: 6 students and 1 advisor

Chapters are allowed one advisor per six registered students. Please do not register more advisors than students.

This conference is designed as a leadership development opportunity for students. We encourage you to register your chapter officers and top student leaders. Participants should be students who intend to fully engage in conference activities and share what they learn with other chapter members upon their return.

Please do not bring students who do not plan to actively participate in the event.

If registration does not reach capacity, additional student registration opportunities may be made available. To be placed on a waiting list, please email Christine Phipps at christine.phipps@enmu.edu.
